### ***On the day information***

Please arrive **10 minutes** before your allocated time slot. If you are running late, please call us on **01772 703704**.

On some occasions the examiner can get behind with time, so be prepared to wait for a short time if necessary. If we do end up running very far behind, we will text the mobile number we have on record.

Once you have checked in at reception, please make your way into studio 2 (small studio) to wait. A member of teaching staff will meet all candidates in studio 2, with their exam forms to check we have all the information we need.

Please stay as quiet as possible during exams as not to distract the candidates. Do not open the door and enter onto the dance floor until a member of staff instructs you to.
